TELFORD 15 CHILDREN'S SEAT

The Telford 15 Children's Seat is a comfortable seat produced especially for children. The narrow seat width enables a three and two seat configuration to be fitted in the bus.

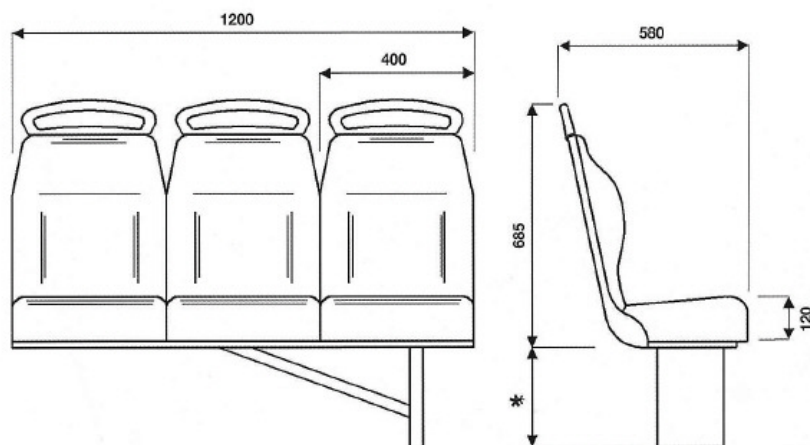

The colours of the grab handles and seat backs can be mixed as shown to give comfort with fun.

The seats are fitted with full recessed backs which gives more space for little legs. Squab foam adds to passenger comfort with it's ergonomic contours.

A range of built-in and rear six seats are produced to match.
